Telluride Program

The **Program Schedule**, as a downloadable and printable .pdf file, is posted on the Arts & Sciences website. https://info-eco.art/arts-sciences-2024

Telluride's **Wilkinson Public Library** will host free large screen public viewing of most of the live streamed LASER Zoom programming, as noted on the Schedule.

The Ah Haa School will host a public viewing on Monday the 29th, from 2:00 – 4:00, and **Telluride Arts** may host some meetings and talks during the week.

The LASER Zoom Series can also be watched by anyone from home or from anywhere with an Internet connection, computer or mobile devise.

Registration is required in order to receive the link to the online LASER webinars. https://www.eventbrite.com/e/arts-sciences-telluride-2024-the-nature-of-information-laser-series-registration-944972617537

Donations are most gratefully appreciated, via: https://www.sciartsantafe.org/

The recorded LASER Zooms will be posted on **LASER Santa Fe's YouTube channel**.

All of the listed presenting participants on the website are confirmed, though there may be a few additional guests. They will be connecting from locations around the world, including Telluride, other US sites, Canada, Germany, Greece, Netherlands, Japan, + .

In addition to the LASER Zooms, Arts and Sciences: Telluride 2024 program creator, **Richard Lowenberg** (and a few guests who will be in Telluride) will be in the following:

Sun. July 28, 5:30 – 10:00, Sheridan Opera House
Telluride Institute's 40th Anniversary Celebration and Fundraising Evening.
- **Jim Enote + Richard Lowenberg: Arts & Sciences Discussion (6:30 – 8:00).**

Mon. July 29, Noon – 1:00, KOTO Radio.
- **Interview/Discussion: with Jim Enote and Richard Lowenberg.**

Tue. July 30, 6:30 – 8:00, Mountain Village Conference Center.
- **Telluride Science "Town Talk": with Richard Lowenberg.**

Thurs. Aug. 1, 5:00 – 7:00, Telluride Library Public Room
